## Be forever young

THE FOREVER Young Club is off to Vietnam on its inaugural FYC Travel Club Tour.

The group of single over 50s fly out on 20 April to share in the delights of Vietnam and are taking 13 days to do it.

It's fantastic to be able to share this experience with other like-minded people of similar vintage, AND not have to pay the single supplement which makes this sort of travel so expensive.

The club has many other exciting tours coming up, both in Australia and abroad. So if you're single, over 50, and love to travel simply go to [www.fyc.com.au](http://www.fyc.com.au) to see what they have to offer.
