2. May 2007 competitions now open!

Due to the success of the April - *Upgrade to Premium* - competition, we have decided to run it again in May!

Have you come across the profile of someone you want to get to know better? Upgrade to Premium membership and enjoy all the benefits!

This month, Forever Young Club is again giving away a Pentax Digital Camera valued at \$298.00rrp to one (1) lucky member who upgrades to a Premium membership between 01 May - 31 May. Contact any member you like and gain access to all our features including our new and improved Chatroom by upgrading and win!

But that's not the end of it either. We're also giving away three (3) Sony 512MB Network Walkmans (MP3 players) valued at \$84.50 as consolations to three (3) lucky Premium Members selected in a random draw. If you have any questions about this competition – please email marketing@forever-young-club.com.au

Picture perfect and win again in May!

A picture is worth a thousand words and at Forever Young Club this couldn't be closer to the truth! Do you know that members with photos receive up to 16 times more attention than those without a photo? In fact, 40% of members will 'send a flirt' only after viewing a profile with a picture!

All you have to do is to take a happy snap and post it on your profile and you are in the running to be selected as a winner by the Forever Young Club team. So show off your best

side now and be in the running for a Logitech Webcam valued at \$69.98!

We will select the best mail and best female photo for the month.

If you have any questions about this competition – please email marketing@forever-young-club.com.au

3. New FAQ's uploaded

In an effort to continually improve member communication – we regularly update the Frequently Asked Questions (FAQ) page. If you are having difficulty with something on the site or have a general question – please visit <http://www.forever-young-club.com.au/faq.php> first.

Recent additions include:

* More information about using the new Chatroom. The old Instant Messaging (IM) feature was running as efficiently as we would have liked and has now been taken from the site. The new Chatroom allows for instant messaging, private chats as well as being video and audio enabled. So if you didn't win the WebCam in last month's competition – go out and buy one – they are great value!

* There have been several queries about how PAYPAL works, so we have updated the PAYPAL information in the 'Registration' heading of the FAQ section.

Please note that once you become a Premium Member of the Forever Young Club, your payment subscription details are held and managed with PAYPAL – not Forever Young Club. If you ever wish to change or suspend your subscription in anyway, you have to log into your PAYPAL account yourself.

4. When are members online?

Some members want to know the best time to log into the site to ensure that other members are online at the same time. Excellent question!

Forever Young Club cannot guarantee when members will log on to the site. Our statistics show that between 150-250 unique people visit the site each day. Some may only be online for a few seconds so they can be difficult to catch. We are advising members that they review other member's profile and send an email to the member you wish to chat with. This way you can make a time that suits both parties to meet online together. Please note: you can receive emails from members at any time but you can only contact other members if you upgrade to Premium membership!
